Sir,

Re enhancing the feeding charges in the Cattle Pound in Arkalgud Minor Municipality

---

With reference to your letter O L 17148 dated 16-8-1947 requesting to intimate the average income from this source and the additional cost involved if the feeding charges are enhanced, I have the honor to state that the feeding charges in respect of cattle impounded are being recovered from the parties concerned in addition to the fine and the same refunded to the pound keeper for purchasing hay. This is not a source of income to the Municipality. It is only the fine amount which is credited to Municipal funds that forms part of their income and all the feeding charges recovered from the parties are refundable. It is reported that during 46-47 a sum of Rs 16-14-0 was realised as feeding charges and the same amount spent. If the feeding charges are enhanced no extra cost will be required from Municipal funds.

The proposal to enhance the feeding charges is in view of the high price obtaining for fodder.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
